Description:

POREČ – First-floor apartment in a TOP location The city of Poreč is located on the western coast of the Istrian peninsula. During Roman times, Poreč got its first walls, and the entire city was fortified except for the western side, the tip of the peninsula, where the temple of Neptune or Jupiter was located. Thanks to its exceptional geographical position, as well as its natural and cultural beauties, today it is one of the strongest tourist centers in Croatia. The main economic sector

is tourism, which positively correlates with trade, construction, and agriculture. Just a few minutes' walk from the center of Poreč, an apartment under construction is for sale. The apartment is located in a smaller residential building with only 5 residential units. The building will have modern architecture and will be built with high-quality materials. The apartment has an area of 67.47 m² and is located on the first floor of the building. It consists of two bedrooms, a bathroom, a guest toilet, a storage room, a hallway, a spacious living room, a dining room, and a kitchen with access to a covered terrace.
