Description

Description:	<p>Buje, Caldanija, Land in a populated area - Ideal for investors! An attractive building plot of regular square shape is for sale, located in a populated part of the village. Due to its size, the plot can be subdivided if necessary, which provides additional flexibility to future owners. The land is completely for construction purposes, and the water and electricity connections are only ten meters from the plot, which makes it easier to connect the infrastructure and start construction. One of the main advantages of this property is its position along the main road and its proximity to the Slovenian border, which makes it an extremely attractive investment for investors. The location of the property offers excellent opportunities for the development of business activities or residential projects, considering the frequency of the area and the connection with the surrounding cities. Do not miss the opportunity to invest in this promising property that offers numerous possibilities. Contact with confidence, Leonida Meglaj licensed agent +385 95 905 98 98 ID CODE: IS1514077</p>
