# Description

Description: Detached house for completion with many possibilities 2000 m from the sea. For

> sale is a detached house in the roh-bau phase, located on a spacious building plot of 1507 m2 in Šegotići. This attractive property covers a total area of 330 m2, and its uniqueness is given by the apartment on the ground floor of 50 m2, which is ready to move into. This apartment offers the possibility of living while the construction of the rest of the house is completed. The house is characterized by a functional layout, and within it there are also a garage and a spacious basement,

which further increases the value and possibilities of using the property. Located only 2000 meters from the sea, this house represents an excellent investment with potential for tourist rental. One of the significant advantages of this property is the possibility of subdividing and building another house, which provides future owners with additional options for development. It is ideal for all those looking for a peaceful environment close to the sea, with numerous possibilities for personalization and finishing to adapt the house to their own needs.
