### Description

Description: The apartment near the beaches and the center of Porec is located on the top floor of a residential building, offering a perfect combination of comfort and location. It is located just 300 meters from the beautiful beaches and 500 meters from the city center, which offers an ideal combination for everyday life and enjoying summer activities. The apartment offers spectacular open views of the sea and the city,

making every stay special. The apartment is spread over two floors and consists of three large bedrooms, a bright living room with dining area, a separate kitchen and a bathroom. Upstairs there is a mezzanine which can be used as an additional bedroom or storage room. Significant investments have recently been made in the apartment: a new and modern kitchen with appliances has been installed, the PVC carpentry with shutters has been replaced and the living room floor has been renewed. The heating and cooling of the apartment is ensured by air conditioners, but given the presence of a chimney there is also the possibility of heating with a wood or pellet stove, which offers flexibility and economy in the winter months. The apartment is classified for tourist rental, which makes it an extremely attractive investment. Its location in a highly sought-after area of Poreč makes it the ideal choice for those looking for a quality housing solution or an opportunity for a lucrative tourist rental, close to all necessary services and splendid natural beauty.
