Description

Description:

In the picturesque village of Sovinjak, located 8 km southwest of Buzet, in the hills above the middle course of the Mirna, a charming stone house with an additional ruined house and a building permit for renovation is for sale. The settlement is gravitated by the surrounding hamlets of Bračani, Brnozi, Jermacija, Majeri and the settlements of Prohana, Sirotići, Sovinjsko Polje and Sovinjsko Brdo, known for agriculture, viticulture, olive growing and beekeeping. The main stone house with a total area of 57 m² consists of a ground floor and an upper floor. On the ground floor there is a kitchen, dining room, living room, bathroom and one bedroom, while an external staircase leads to a terrace and a floor with an additional bedroom, hallway and bathroom. The house was thoroughly renovated in 2010 and has been successfully rented out for tourist purposes since then. Along with this house comes a dilapidated house with a building permit, which provides a unique opportunity for renovation and adaptation to your own wishes. This area offers the perfect environment for enjoying nature, hiking and cycling on well-known trails. Whether you are looking for a quiet living space or an investment for tourist purposes, this property has everything you need!
