Description

Description:	<p>Building plot located in the heart of Buzet, offering an exceptional opportunity for construction in one of the most sought-after parts of the town. The size of the plot provides an ideal space for building a family home, holiday house, or investment project. Water, electricity, and sewage are just 50 meters away from the plot, making it easy to connect to all necessary infrastructure networks. One of the main advantages of this plot is its view – it offers a beautiful outlook over the surrounding greenery, creating a sense of natural tranquility, while at the same time offering a view of Buzet's town center and the historic Old Town, which with its architecture and cultural heritage adds a special charm to the area. The location of the plot allows easy access to all essential amenities such as shops, schools, cafes, and restaurants, while also providing peace and privacy in a natural setting. This land represents a perfect combination of natural surroundings and proximity to urban facilities, making it an outstanding opportunity for building and investment in the heart of Istria.
