Description

Description:	Istria County, Medulin, a place with over 80 km of indented coast with well-organized beaches and a pleasant Mediterranean climate, is made up of 6 pyrotechnic coastal settlements, each of which leaves you breathless. From any starting point, the sea is in the palm of your hand, and the views from the balconies and terraces of the houses are enchanting. You will find more such terraces in this beautiful house with a swimming pool, which we offer, and it is located in a unique location only 250 meters from the sea. The property was built "before its time", planned with high-quality materials and has solar collectors on the roof terrace. The house has 4 separate residential units connected by an arranged

staircase, all units, including all rooms, are air-conditioned and there is underfloor heating throughout the house. The entire garden is meticulously and well-decorated, in the yard there is also a nice lounge area with a bread oven and a separate summer kitchen. Here we also find an outdoor luxury pool with a hydromassage bench for 7 people and a shallow part for children and non-swimmers. As part of it, there is a beautifully arranged sunbathing area of 60m², illuminated with the Platek Italian reflector system. The house is sold fully furnished and equipped. The fence and the garage can be opened electrically. The facility is categorized as a catering activity in the household, and generates very attractive income in the tourist season. The location itself and the proximity of all necessary facilities make this property an excellent choice, a property that provides a comfortable housing solution as well as a quality investment for tourism, and its return. GROUND FLOOR: Two-room apartment and studio apartment FIRST FLOOR: Three-room apartment - master bedroom with attached bathroom, two bedrooms, hallway, bathroom, living room connected to the kitchen and dining room, pantry, terrace of approx. 30m² that stretches along the entire front of the house - sea view.
