Description

Description: A building plot is for sale in Donje Selo on the island of Šolta, featuring a registered structure. The plot covers an area of 313 square meters, and all necessary infrastructure is in close proximity. The advantage of this property is that the structure is already registered, which will simplify the process of obtaining building permits and expedite construction. Located in a quiet area just 3 kilometers from the sea, it offers ideal conditions for constructing a vacation home or a permanent residence.
