Description

Description:	Northwest Istria, Mareda, Novigrad Mareda can boast of an excellent location, close to Novigrad and Umag, and offers a handful of wonderful and fun moments along the well-kept beach. For such unforgettable moments, it would be good to have a property that is in the center of events. How close? We know that the sea whets the appetite, so don't worry, because just a hundred meters away, there is already the first restaurant that will enable you to have a quick and easy meal at any time. Now a little more about this superb apartment... Located on the second floor of a residential building, the apartment was completely renovated in 2022, which means you don't have to worry about electricity or water pipes. The furniture is made to measure, of exceptional quality and aesthetically perfectly integrated. Although a smaller living space, the apartment is very practical and consists of a hallway, bedroom, bathroom, living room with kitchen, and a balcony with a view of the green park and the sea through the treetops. Also, in front of the apartment there is another terrace that is shared, however, you can use the part in front of the apartment. Heating is provided by an air conditioner, while an electric radiator is installed in the bathroom. The parking lot is not owned but can be used next to the building (minimum annual fee for tenants). We expect the best offer for the seller. The apartment can be moved into immediately and does not require any additional investment. An ideal investment by the sea. There are not many properties like this on the market, so be quick in your decision. Contact with confidence, Leonida Meglaj licensed agent +385 95 905 98 98 leonida.meglaj@dogma-nekretnine.com
