Description

Description:	<p>Rovinj, Istria - building plot of regular shape, ideal for building a house with a swimming pool. We are selling a plot of land with a total square footage of 809 m², which is located in a quiet place surrounded by family houses and holiday homes. The place is located not far from Rovinj, only 10 km. The land is located within the residential construction area (S). According to the current spatial plan and construction conditions, a ground floor + 1st floor + attic house can be built on the land, with a maximum built-up area of 40% of the total square footage of the land. The construction of a swimming pool is allowed. The infrastructure is located next to the plot. The land is located in a newly formed settlement where family houses and holiday homes will be built.
