the fall of 2025. The apartments have a net usable area of 64.77 m², with a terrace of 79 m², and the apartments on the ground floor come with an additional part of the garden. The apartments consist of a spacious living room with a kitchen and dining room, exit to a spacious terrace, a bathroom, a toilet, and a smaller and larger bedroom. This apartment located on the ground floor has a terrace of 28.46m² (with a coefficient of 14.23m²) and a spacious garden of 157m² (with a coefficient of 39.25m²). In the description, we add one storage room and one parking space to the total square footage, with the possibility of an additional parking space for a surcharge. The apartments are equipped with a split system for heating and cooling. Underfloor heating is not provided, but it can be installed during construction for an additional fee. PVC joinery in anthracite color comes with electric shutters, but mosquito nets are not included. Work has already begun, and completion is planned for the fall of 2025. The documentation is in order. The customer does not pay VAT because the subject is a legal entity. For all additional information and an agreement about sightseeing, please contact us.
