Description

Description:

The property includes a legalized commercial building with the potential to convert two rooms into additional accommodation capacity. There's also a garage with three parking spaces. The location, Blatuša, is known for its ecological agriculture and multicultural environment, attracting both foreigners and families with children due to free school transportation. The house on the ground floor features a basement, storage room, hallway, bedroom, bathroom, kitchen, and a spacious living room. Upstairs, there's another bathroom that only needs a bathtub installation. A wide hallway separates three more bedrooms. The view is spectacular, and the property includes its own driveway, garden, chicken coop, agricultural building cellar, fruit orchard, and fields. Access is via an asphalt road, and there are even two sources of drinkable water—one of which is on the property, flowing down to a stream. Whether you want to open a business or rent out excess accommodation capacity, you can arrange a viewing by contacting Danica Lovrić at 099/850-6552 ID CODE: ZG71569
