Description

Description: Well-established tourist facility in a quiet location, close to the sea with the potential to expand the offer. The property is currently a combination of residential property, rooms and apartments for rent to tourists and restaurants. It spreads over 4 floors, basement / basement and three floors. In the basement, next to the garage, there are several large rooms that can potentially be arranged as a tavern, wellness for guests or both. The ground floor is divided into three spaces for different

purposes. In front there is a simple but very attractive restaurant with kitchen, bar and toilets for guests and staff. Below the house are two rooms with bathrooms for tourists. At the back of the house is a bright apartment with one bedroom, living room, dining room and open plan kitchen with access to a large terrace. The first floor is intended for tourist accommodation and consists of 6 spacious rooms with bathrooms, one apartment with two bedrooms, kitchen, living room and bathroom. On the second floor there are two apartments, each with two bedrooms, bathroom and large living room with kitchen and dining area. The house is located in a spacious garden with enough space for parking, summer terrace and swimming pool. The property is completely independent, a plot of beautiful rectangular shape, entrance from a wide asphalt road, privacy and peace. With smaller investments, it is possible to get a tourist facility of the 'bed & breakfast' type with a capacity of up to about 40 beds.
