Description

Description:

KAŠTELIR, ISTRIA - BEAUTIFUL HOUSE WITH SEA VIEW... A house under construction is for sale in the very center of Kaštelir. Kaštelir, which is only a 10-minute drive from Poreč, is one of the most desirable locations for investment, the specialty of this location is that practically the entire place is on a hill, which gives it an unobstructed view of the sea and the city of Poreč in the distance. Enjoying the beautiful view from the sunny pool or terrace starts already in the morning. The beautiful property is in the very center of the action, located on a plot of land of 758 m², where a house of a total of 159.53 m² was built. The ground floor is the heart of the property where there is one bedroom with a bathroom, a guest toilet and an open area of the living room, kitchen and dining room. The covered terrace is ideal for starting the day with sunrise scenes and breakfast. The stairs in the entrance hall of the house lead us to the first floor, where there are 2 bedrooms with bathrooms. In addition to the beautiful view, there is a 32 m² swimming pool on the sunny part of the property. Classic construction with accompanying classic Istrian stone details is a property that will always be in trend. Don't miss it! 1/1 ownership, no encumbrances.
