Description

Description:

If you are looking for a luxury property, this beautiful house in Seget, located first row to the sea, is an ideal choice. Seget is a picturesque place located along the coast of the Adriatic Sea, not far from the historical town of Trogir. It is known for its beautiful beaches and crystal clear sea. The house has a total area of 290 m² and consists of three apartments, each with its own entrance, three parking spaces and about 100 m² of garden. The apartment on the ground floor offers two spacious bedrooms, two bathrooms, a kitchen and a living room that opens onto a spacious terrace of 30 m². The terrace is covered with an aluminum pergola, which ensures privacy, and has an outdoor shower, barbecue, large jacuzzi and space for sunbeds, and a storage room. The yard leads directly to the beach, and the house has its own mooring for a boat. There are two identical apartments on the first and second floor. Each apartment has a spacious living area consisting of a kitchen and a living room connected into one unit, which continues to the terrace with a spectacular view of the sea. There are also two smaller and one larger bedroom and a bathroom. All rooms have their own air conditioning. The apartments on the ground floor and on the first floor are connected by an internal staircase, which can, if necessary, be closed and completely separate the apartments. Due to its location, the house offers an ideal balance of peaceful rest and the availability of all necessary amenities. The proximity of Trogir, which is under the protection of UNESCO, further enriches the offer with cultural and historical sights and numerous restaurants and shops.
