right by the coast, offering direct access to a picturesque pebble beach. It consists of a total of seven residential units, providing diversity and comfort. The ground floor comprises a garage with automatic doors, a storage room, a laundry room, and a toilet. Additionally, this level houses a spacious apartment with a kitchen, living room, three bedrooms, two bathrooms, and a large covered terrace measuring 28.36 m². On the first floor, there is an apartment with two bedrooms and a large terrace of 28.36 m², as well as a studio apartment with a terrace of 10.18 m². The attic contains three studio apartments and one single-bedroom apartment, all with access to a terrace, offering an ideal spot to enjoy the sea breeze. The house was built in two phases, with the ground floor dating back to 1990 and the remainder of the house constructed in 2010. The property is connected to the municipal water supply, with sewage managed through two septic tanks. All units are air-conditioned, while the two-bedroom apartment on the first floor benefits from electric central heating. The house is in excellent condition, with 8 cm thick Styrofoam insulation, PVC windows with triple glazing. The garden is beautifully landscaped in a Mediterranean style, with abundant greenery and a barbecue area/shelter, as well as an outdoor shower. The house and auxiliary buildings are legalized, while the energy certificate is currently being processed. Financing available for EU citizens. The leading agency in Croatia for over 23 years.
