Description

Description:

This beautiful apartment on the first floor of a modern residential building in Primošten offers a comfortable and luxurious living space. With a total net living area of 68.7m², the space is cleverly arranged to maximize every corner. The entrance area and hallway welcome you with elegance, leading you to the spacious living area that includes a kitchen and dining area. The living room provides a comfortable space for relaxation and socializing. The apartment has two bedrooms, one of which has a private bathroom, providing comfort and privacy. The second bathroom is large and comfortable, ideal for everyday use. The most impressive part of the apartment is the spacious terrace with a beautiful view of the sea, providing the perfect ambiance for relaxation and enjoying sunsets. The apartment also comes with a storage room of approximately 12m², ideal for storing personal belongings, and a parking space to facilitate everyday life. The quality of construction is of the highest standard, using the highest quality materials and equipment such as Italian ceramics, aluminum windows, air conditioning in all rooms, and electric underfloor heating throughout the apartment. Completion of the works is expected by the end of 2024, providing future residents with a luxurious living space with an incredible sea view.
