Description

Description:	In the middle of untouched nature is this spacious construction started. A garage leans against the building, and on the ground floor there is a preparation for 4 rooms and a hallway that divides them. The first floor, in addition to approximately 72m ² of living space, also has a terrace. There is also a high attic. The building is mapped out and is located on a building plot of 1716m ² . The entire property covers 18015m ² in a piece that includes a forest. It is located 500m from
--------------	--

the asphalt road and about 1 km from the local shop. Electricity and water connections are right in front of the plot and existed until the Homeland War on an old house of which only the foundations remained. It is 60km from Zagreb and the place itself is inhabited mainly by pensioners and weekenders. For more information, I am available and the price is not fixed. 099/850-6552, Danica Lovrić ID CODE: ZG71192
