Description

Description: Vrbovsko, we are selling a nice apartment in a good location in the urban part of

the town, and yet with a wonderful view of the surrounding hills. It consists of a kitchen with a dining room, a room, a corridor, a bathroom and a loggia. The building is maintained, central heating, enough parking spaces in front. The documentation is in order. A good opportunity for people who would come to G. Kotar on weekends in their real estate and would not invest in a house that brings increased costs i requires additional maintenance time. Don't miss it, the price is very attractive. I am at your disposal for additional information and sightseeing.
