Description

Description: Poreč has been one of the main centers of Croatian tourism since the 1970s. Poreč's thirty hotels have more than 95,000 beds, and there are also 13 autocamps, nudist camps, 16 apartment complexes, villas, bungalows and family houses. This is an incredible number considering the size of the city itself. The tourist

infrastructure is intentionally scattered along the 37 kilometers of coast between Mirna and the Lim channel. In the south, there are large independent centers such as Plava Laguna, Zelena Laguna, Bijela Uvala and Brulo. In the north are Materada, Červar-Porat, Ulika and Lanterna. More than 30% of tourists on the west coast of Istria, the most tourist-intensive area of Croatia, stay here. These summer "suburbs" have their own hotels, beaches, campsites, marinas, department stores, means of transportation, playgrounds, entertainment and various shops. In the summer season, 120,000 people temporarily find themselves in Poreština. Considering that people swim outside the city during the day, in the evening there is a tourist rush to the old town, which is then full of crowds of walkers from all European countries, and services are offered by shops, restaurants, disco clubs and bars, as well as numerous galleries. . Just a 10-minute drive from Poreč is this quality one-story house with 3 bedrooms, a bathroom, a large open space living room and kitchen, and a storage room with a beautiful view of the greenery. What makes it special is the small but beautiful garden with a swimming pool with salt water. Around the pool there is a beautifully landscaped garden and sunbathing area. The house is the last in the row, and besides being connected to the neighboring one on one side, it is surrounded by greenery and beautiful nature on the other sides. This property is an investment opportunity, not only for tourism but also as a family property. For a more detailed description, call: DUBRAVKA KUKULJ OREŠKOVIĆ LICENSED AGENT Cell phone 099/741-7810
