Description

Description:

Access road, water and electricity right in front of the plot, there are inhabited houses in the neighborhood, but they are about a hundred meters away. Prices in the area are rising rapidly, so this is a good investment. 3.6 km from Topusko, known for its spa and secluded, is this house with a large yard. Although it takes a lot of investment to return it to its original state, by buying arable land you can come into possession of a large house whose roof is in solid condition, and a large kitchen, hallway and bathroom with two rooms connected by a balcony facing south, there is great potential. Near the asphalt road to Topusko, it has an old orchard and several pine trees. In case you want more information, please call with confidence. 099/850-6552 Danica ID CODE: ZG71069
