Description

Description:	<p>We offer a beautiful plot of land with a project to build a house that will be equipped with a heated pool and underfloor heating. The land is already equipped with all the necessary utilities that have already been paid for, including a connection for three-phase electricity of 13.6KW, which ensures enough power for all the needs of your home. One of the most beautiful features of this land is the spectacular open view of the nature of Učka, which will provide you with peace and pleasure every day. In addition, after the house is built, you will have the option of managing the facility through property management, which will make maintenance and management easier for you. real estate. There is also a full-for-empty contract option, which means you will have all the amenities and facilities available at no additional cost. Access to the land is from an asphalted road, which ensures easy access and comfort when arriving and leaving. For any additional information and viewing of the property, please feel free to contact us so that I can offer you a personalized approach and a discreet service to find properties according to your wishes and preferences.
