Description

Description: Kršan is a municipality located in the northeastern part of Istria, Croatia. It is located in the interior of the peninsula, about 15 km from the coast of the Adriatic Sea. The area includes numerous villages and smaller settlements and is known for its rural and natural beauty. In addition to its rich history, Kršan also offers beautiful nature with numerous paths for walking and cycling, and is a popular destination for lovers of active vacations and rural tourism. For sale is a rectangular building plot of 948 m², located in a quiet and attractive area. The land is ideal for building a family house or a holiday home with a swimming pool. It is located near all important facilities such as shops, schools and public transport. Considering its size, it provides enough space for different architectural ideas and creative projects. This plot offers a great opportunity for investors or individuals who want to build their own home in a peaceful and beautiful environment.
