Description

Description:

Mande, Pag - Two-story apartment with sea view For sale is an excellently located penthouse in Mandre on the unique island of Pag. The penthouse consists of a kitchen, dining room and living room with access to the terrace, bathroom, toilet and 2 spacious bedrooms, both of which have access to the terrace on the other side of the penthouse. The terraces for the bedrooms are 15.1 m², while the terrace facing the sea is 21 m², 11 of which are covered, which is perfect for relaxing outdoors while looking at the rugged landscape of the Adriatic coast. The terrace will also have the possibility of a jacuzzi. The apartment is located 150m from the sea in a dead-end but very quiet street, great for those who love peace. However, if the 2-minute walk to the sea is too hot for you in summer, you will always be able to find refreshment in your 6x3m swimming pool. The apartment will be equipped with air conditioning in every room, 12 cm of insulation and PVC carpentry with double-layer double-sided painted glass (white-anthracite) filled with argon, which ensures optimal temperature throughout the year, regardless of whether the hot Adriatic summer warms you or the cold Velebit winds sway you. For complete optimal simplicity, the blinds will be electric. Construction is expected to be completed by the summer of 2024.
