The villas are surrounded by the typical Pag stone landscape, and they offer a view of the sea and the mountains that will leave every visitor breathless. The architecture of the villas, which at the same time seems cosmopolitan and down-to-earth, has created warm and pleasant villas full of character and comfort, and the simplicity of their design ensures quiet, unique and unpretentious luxury with the highest quality and standard. This is a place where sun, sea and stone rule, and the Mediterranean reigns. The villas are located in one of the most intimate locations on the Croatian coast, and they are only 150 meters from the nearby beach, which is not overcrowded even in the peak of the summer season. When furnishing the villa, top-quality materials and equipment were used, which greatly affect the quality of the stay and the ease of maintenance, of which it is worth highlighting: - Italian kitchen with Bosch appliances - Mitsubishi air conditioners in all rooms - Zucchetti and Galassia sanitary ware - Danfos underfloor heating in all rooms - STO facade insulation - ALU K aluminum joinery - Italian tiles Mirage 1st class - Ceiling height 300+cm, invisible door height 240cm - and more The island of Pag is known for its rich cultural tangible and intangible heritage, superb gastronomy and beautiful pebble beaches with crystal clear sea.
