Description

Description: Kaiser Immobilien is putting an apartment on the market in a great location. The area of the apartment is 58.40 m². It is located on the second floor of a neat building and consists of two rooms, a kitchen with a living room, a bathroom with a toilet, a corridor and a loggia. In the basement of the building there is a woodshed with an area of 3 m². From the living room and one room on the south side of the apartment, there is a balcony with a wonderful view of Kvarner, the

Gulf of Rijeka and Učka. The heating in the apartment is electric, but due to the southern orientation, the apartment is sunny and very warm most of the day. Two years ago, the roof was changed and a new facade was put on the building. The building is located in a quiet part of Dreno near a kindergarten and a school. The documentation of the apartment is in order.
