Description

Description:

A detached house under construction is for sale in a quiet place on the island of Krk, about 2 km from beaches, shops and restaurants and a ten-minute drive from the center of Malinska. It will stretch through two floors, while the garden will have a swimming pool with a sunbathing area, two parking spaces, and a large terrace with space for socializing. On the ground floor, which will have only a partial view of the sea, there will be a living room with a kitchen and dining room, a bathroom and a large storage room. Upstairs there are three bedrooms, one of which is the master, two bathrooms, a laundry room and a large terrace with a view of the sea and nature. There will be electric underfloor heating in all rooms except the storage room, a fireplace in the living room and air conditioning. In the price of the property, the seller leaves the buyer with a choice of three types of ceramic tiles for covering sanitary rooms, mixer taps and shower screens, door handles and two types of parquet. The building will be equipped with external video surveillance, an electric drive entrance fence, and an external charging station for electric cars. The deadline for the completion of the works is scheduled for 2025. The seller is in the VAT system, so the buyer does not pay the 3% real estate sales tax.
