Description

Description:	<p>The two-bedroom house named "Lea" is offered as a complete "turnkey" solution. The "Lea" house provides outstanding functionality on a gross area of just over 72 m², available on a "turnkey" basis at a price of only 97,500 euros, including VAT, based on the buyer's foundation. This property is part of our new series of prefabricated houses called "Lea," designed by experienced professionals from the renowned architectural firm Steco. The house is extremely energy-efficient, equipped with 29 cm of insulation in the walls, premium facade, and a fully insulated roof with a thickness of 24 cm. The construction is in compliance with European structural standards. The interior is fitted with high-quality PVC joinery with six chambers and triple glazing, simple modern MDF doors, as well as quality laminate and ceramic flooring. The bathroom features modern design and fixtures, while plumbing and electrical installations are fully implemented according to the project. A Schiedel chimney with a diameter of Ø180 mm is also included. The available space includes: Bedroom with an area of 10.70 m² Bedroom with an area of 9.01 m² Kitchen and living room with an area of 25.53 m² Bathroom with an area of 4.23 m² Hallway with an area of 7.70 m² Please note that the price does not include land costs, architect fees, building permits, utility connections, excavation, or the foundation slab.
