Description

Description:	<p>Agricultural land with an area of 13,700 m² is a spacious plot on which young olive trees are planted. This olive planting indicates the potential for growing olives and producing olive oil, which can be an extremely profitable agricultural activity. It is located in a quiet place, 3 km from the center of Labin, the proximity of the city allows easy access to markets and infrastructure, while the distance from the sea of 5 km provides additional convenience. It is important to note that the land is located next to an asphalted road, which facilitates access. This agricultural land offers an excellent opportunity for growing olives and producing olive oil, with the added convenience of being close to the city and the sea. Given its size and location along a paved road, it can be an attractive option for those looking to start or expand their farming business. ID CODE: IS1511253</p>
