Description

Description:	The agricultural land of 4407 m ² represents an extraordinary opportunity for various agricultural activities, given its proximity to the old town of Labin, only 2 km away, which adds additional value due to the cultural and historical significance of the area, which can be attractive to those who value tradition and authenticity. In addition, it is located in close proximity to a school, a fitness center and a market, which makes this location extremely convenient and practical for various daily needs. Considering the area of 4407 m ² , this land provides enough space for different types of agricultural crops or activities. The distance from the sea of only 3.5 km adds additional value to this land. This agricultural land offers an excellent opportunity for various agricultural activities, with the added convenience of being close to the city and the sea. Considering its location and size, it can be attractive to investors or people who want to start an agricultural business in an attractive location. ID CODE: IS1511250
