Description

Description:	Labin, located on a hilly terrain in the interior of Istria, has a deep historical heritage. Medieval architecture, such as defensive walls and narrow cobbled streets, testify to the rich past of this city. But Labin is not only an open-air museum - it is a living center of art and culture. Galleries, studios and street art installations enliven the city and provide visitors with an insight into the local art scene. The panoramic view from the top of the hill on which Labin is located provides an unforgettable experience, revealing the expanses of green fields and

the blue of the Adriatic Sea. Not far from Labin is Rabac, the pearl of the Adriatic coast. Rabac is known for its beautiful beaches and crystal clear sea. This once peaceful fishing town is now a favorite destination for rest and recreation. Beaches like Girandello and Maslinica lure visitors with their white pebble shores and turquoise waters. In addition to enjoying the beach, Rabac offers a variety of water activities, such as diving, windsurfing and kayaking. In the evening, the city comes alive with numerous restaurants, cafes and clubs that offer a rich gastronomic and entertainment offer. Here we offer a nice house with a swimming pool, located on a plot of 1122 m2. The house has a ground floor and a first floor, a total of 169 m2. On the ground floor there is a kitchen with a dining room and pantry, a living room, a bedroom and a bathroom. An arranged staircase leads to the 1st floor, where there are two bedrooms and two bathrooms, a balcony with an open view of the greenery.
