Description

Description: This family house is a real gem, located near the sea, shops and restaurants, and only a few minutes by car from the first beach. With its spaciousness and functionality, it offers numerous possibilities for solving the housing issue or even for investing in a tourist rental, thanks to its attractive location. The house consists of a basement, ground floor and upper floors, providing a total of 247.26 m² of living or rental space. In the basement there is a garage equipped with water, a workshop and a storage room, which provides enough space for parking vehicles and storing tools or other necessities. The ground floor is a separate residential unit

with an area of 96.70 m². This unit includes two spacious bedrooms, a kitchen with a dining room, a living room and access to the covered and uncovered part of the terrace. It is the perfect place for a comfortable family life or for receiving guests, providing enough privacy and comfort. The external stairs lead to the first floor where there is a second residential unit with an area of 85.58 m². This unit also contains two spacious bedrooms, a kitchen with a dining room, a separate bathroom and toilet, and an exit to the balcony. This split configuration allows for additional privacy for tenants or guests staying upstairs. The family house is equipped with a chimney and a solid fuel stove, which is ideal for pleasant winter evenings or for creating an atmosphere of comfort. Each apartment also has an air conditioner that ensures a comfortable temperature during warmer days or cooler nights. In short, this family house offers a perfect combination of comfort, practicality and an attractive location. It is a great opportunity for those who are looking for a permanent solution to the housing issue or for those with an entrepreneurial spirit who want to use the potential of a tourist rental.
