Description

Description:	<p>An attractive building plot for sale in Brela - upper Kričak district. The land has an area of 400m2, with an open view of the sea. The plot is located in a populated area surrounded by family houses and exclusive villas aimed at tourism. On the land itself there are electricity and water connections, and access to the building land is directly from the paved road. Ownership is neat 1/1. This high-quality land in the surroundings of a century-old olive grove is suitable for the construction of an exclusive building in beautiful Brela. Brela is the most sought-after and most exclusive tourist destination in Dalmatia, thanks to its attractive natural environment, clean pebble and sandy beaches, romantically decorated beaches along the edge of which a promenade winds between pine trees and comfortable houses, apartments, hotels and other modern tourist facilities. The certificate for cleanliness and clear sea is the beach "punta rata", which is the holder of the Blue flag and declared as one of the most beautiful beaches of the world!!! Brela is also known for growing vines, olive growing, and growing oranges and lemons. For any additional information or to view this wonderful building land, please feel free to contact us.
