from the sea. This luxury villa, whose net area is 166.6 m², represents the pinnacle of modern housing, with the planned completion of works by the summer of 2025. The architecture of the ground floor of this villa offers a spacious living room, a kitchen with a dining room, a spacious bedroom, a bathroom, a separate toilet, and a functional storage room. There is also an impressive covered terrace of 25 m², which provides an ideal space for relaxation. On the first floor there are three spacious bedrooms, two bathrooms and a laundry room. The master bedroom, measuring 14 m², enchants with its separate wardrobe and private bathroom. All three rooms on the first floor open onto a covered terrace (25m²) that offers a spectacular view of the sea and the islands. On the ground floor, there is underfloor heating throughout the entire floor, and in the bathrooms on the first floor. Each room is equipped with air conditioning. Emphasis is placed on the use of the highest quality materials during construction! The exterior of the villa is decorated with a large pool of 31.5 m² (9x3.5m) and two parking spaces, while the environment will be carefully decorated in an authentic Mediterranean style. This villa is the perfect choice for those looking for luxury, privacy and close proximity to the sea, providing an incomparable combination of modern luxury and natural beauty.
