Description

Description:	<p>We mediate in the sale of a house located in the historical core of the city of Trogir, in close proximity to all amenities and landmarks. Full renovation is required to create a modern and functional space that will meet all the future owner's needs. The footprint of the house is 55 m², and the property consists of a ground floor and two floors connected by an internal staircase. On the ground floor, there is a smaller space that, due to its location, has exceptional potential for a commercial area. The external staircase leads to the first floor, where two rooms are situated, while the internal staircase leads to the second floor with a terrace offering a beautiful view of the city center and the Trogir cathedral. This house hides great potential for tourist rental during the summer months. Contact the agency for any additional information.
