Description

Description: For sale are two duplexes located in the tranquil surroundings of Tinjan, built in 2022. Each of these houses spans two floors, with a total area of 84 sqm, and has a spacious plot of 269 sqm, including two parking spaces. The ground floor of each

house is organized in an open space concept, encompassing a spacious living room, kitchen, dining area, bathroom, and storage room. The living room opens onto a terrace and a pool, creating a comfortable space for relaxation and socializing. Upstairs, there are two bedrooms, a bathroom, and a laundry room. Air conditioning ensures comfort for heating and cooling, while a pellet central heating system has been implemented in the first phase. Thanks to good thermal insulation, the need for additional cooling in the summer is minimal. These houses offer all the necessary amenities for everyday life, located in close proximity, making the location exceptionally practical and functional. Given the peaceful environment and favorable location, this property represents an excellent investment, especially for tourism purposes. Tinjan, a town located near Pazin, is a picturesque destination with 408 inhabitants (according to the 2011 census) and the seat of the municipality. It is situated along the county road Pazin–Poreč, at the intersection of roads to Muntrilj, Kringa, and Sveti Petar u Šumi, on the edge of a karst plateau above the fertile Lim Valley.
