kitchen is equipped with modern equipment and is connected to the living room, creating an open and airy space for family gatherings. On the eastern side of the house, next to the wall, there is a spacious canopy that connects the paved beach with the 34 m² swimming pool. This canopy not only provides protection from the sun, but also creates an elegant connection between indoor and outdoor space. The pool further enriches the outdoor space, providing refreshment and a place to relax. The lounge area is located on the other side of the canopy, providing natural shade and an ideal place to relax. This zone has been carefully designed to allow guests to enjoy a peaceful environment. The basement under the terrace of the lounge area is used as a comfortable storage room, which further optimizes the space of the villa. In addition, the hydromassage tub covered by a pergola is an additional zone for relaxation. This detail shows the careful planning of the space and the desire to provide a superior experience to the residents of the villa. Overall, this villa combines elegance, comfort and functionality, providing a luxurious living experience in a beautiful setting with a spacious garden.
