area of Vir, very close to the sea and with a view that will certainly not leave you indifferent. The house is only 300 meters away from the nearby sandy beach, and the other beaches of the island are within easy reach. However, it is important to emphasize that the house is located in an extremely quiet and not too populated location, which greatly contributes to the quality of rest and living. Especially taking into account the distance from the center of the town, which is approx. 1000m, meaning that in addition to the peace and quiet offered by our location, all the necessary facilities for a fulfilling life or stay (banks, post office, catering facilities, bakeries) are just a few minutes' drive away. ...) The house has a total living area of 250m² and is located on a plot of 303m². It consists of 5 separate and completely modern decorated and equipped apartments. On the ground floor we have a one-room apartment, which consists of - kitchen, dining room, living room, bathroom, bedroom and ground floor terrace. On the 1st floor we have two one-room apartments consisting of - kitchen, dining room, living room, bedroom, bathroom and a covered terrace from which we have a wonderful view of the sea and the islands. On the 2nd floor, we have a larger two-room apartment consisting of - kitchen, dining room, living room, two bedrooms, bathroom and a large covered terrace with such a view that you will fall in love at first sight.
