# Description

Description:

ISTRIA, POREČ, SURROUNDINGS, CLOSE TO THE SEA (Apartment A) In the northwest of the Istrian peninsula, just 10 minutes from the city of Poreč and the first beaches, a building with 13 residential units is currently under construction. The new building is located in the immediate vicinity of shops, kindergartens and schools. The apartments are connected vertically by elevators and stairs. The ground-floor apartments come with an attached garden for extra

comfort. This project is ideal for young families and those looking for peace and rest. The expected completion of construction is 2024. The apartment from the ad is located on the ground floor and has an area of 58 m2. It consists of an entrance hall, a bathroom, 2 bedrooms, a spacious open-plan living room with a kitchen and dining room and an exit to a covered terrace. Also on the ground floor next to the apartment you have a storage room (4m2) that can be used as a laundry room, and the apartment comes with two parking spaces. The apartment will have its own garden. Underfloor heating (12v electric) and air conditioning are planned throughout the apartment. The windows are made of PVC with 6 chambers, equipped with electric blinds and glass filled with argon. Also, the apartment is equipped with burglar and fire doors. For floors, an option of up to €30/m2 (ceramic or laminate) is planned. It is important to note that the buyer will not be required to pay the 3% real estate sales tax. The payment dynamics is an agreement with the investor, by construction phase. We are at your disposal for additional information. ID CODE: IS1510707
