surrounded by only a few houses. The settlement is very neat and peaceful, and will provide you with real tranquility. The house is built of exceptional quality, with brick + insulation + stone, so the total width of the wall is 50 cm. The facade of the house defies weather conditions, testifying to longevity and durability. Large windows allow plenty of natural light to permeate the interior, highlighting the rustic elegance of the space. The gardens that surround it abound in a rich palette of colors - flower arrangements, wooden benches and paths that lead to hidden corners where you can enjoy peace. For heating, it uses gas central heating (radiators and fans), then there are 2 fireplaces (one in the living room, and the other in the room on the ground floor of the house), and 4 air conditioner inverters. The villa consists of a basement, ground floor and first floor. On the ground floor of the house there is one bedroom, toilet, living room with access to the terrace and pool, dining room and kitchen. Beautifully arranged wooden stairs lead to the first floor where there are 3 bedrooms and 2 bathrooms. The bedroom has access to the terrace, which offers an open view of the property and greenery. Furniture made of natural materials, such as wood and stone, adds warmth to the space, and the spacious rooms radiate a homely atmosphere. The fireplace in the living room creates a pleasant warmth, ideal for relaxing with a book or talking with the family. The spacious terrace offers an ideal place to enjoy your morning coffee or the evening sunset, offering a panoramic view of untouched nature. The sound of forests and the chirping of birds become an inevitable part of everyday life, creating a feeling of connection with nature. This stone house in a small village represents a combination of tradition and comfort, providing its residents with an unforgettable experience of life in the middle of nature. * PROPERTY 14000 m2 * STONE HOUSE 256 m2 * SWIMMING POOL 27 m2 * 4 BEDROOMS * 2 BATHROOMS AND 1 TOILET * 2 FIREPLACES * GAS CENTRAL HEATING * 4 AIR CONDITIONING INVERTERS * SUMMER KITCHEN * MORE PARKING PLACES Distances: - border with Slovenia 4 km - sea 10 km - the town of Buje 2 km - Trieste airport 88 km - Pula airport 80 km To view the property, contact us with confidence: DAVID ROCE Licensed agent Mobile 00385 99 759-1558 Telephone 052/639-276 david.roce@dogma-nekretnine.com ROBERTA POROPAT Licensed agent Mobile 00385 95 528-3152 Telephone 052/639-276 roberta.poropat@dogma-nekretnine.com ID CODE: IS1510619
