kitchen and living room, a bathroom, and three bedrooms. The ground floor can be arranged as one or two separate apartments. This is an ideal opportunity for investment and engagement in tourism. The spacious yard allows for the construction of a pool. From the first floor, there is a view of Lake Vransko. The house is constructed with concrete blocks; only the partition walls on the first floor are made of brick blocks. Samalander aluminum joinery, 10 cm Styrofoam insulation, new roof, automatic garage doors. The house has a three-phase power connection, water connection, and its own septic tank; all necessary connections are already installed in the building. Polača is very well connected, and in just a 10-minute drive, you can reach Biograd na Moru. The highway is 6 km away, and Zadar Airport is 25 km away.
