Description

Description: We present to you a luxurious one-room apartment with a beautiful view of the sea

> (S6) in a new building in Povljana on the island of Pag. The apartment is located on the 2nd floor of a detached residential building with 6 residential units and 2 floors. The interior of the apartment consists of a spacious open space kitchen, dining room and living room (24.1m2), a bedroom (10.44m2), a bathroom (5m2),

a corridor (3.67m2) and a balcony (5m2) with a beautiful sea and landscape view. The apartment will be equipped with Bosch air conditioners in all rooms, burglar-proof and fire-resistant doors, first-class ceramic floors, luxurious sanitary ware, aluminum-pvc joinery with three-layer glass filled with argon, mosquito nets and more. In addition, the exterior of the apartment will be equipped with a swimming pool and its technical room, an outdoor stone fireplace and a summer kitchen, an electric outlet in the parking lot for charging electric vehicles, etc. The building is made of reinforced concrete and has extremely durable statics. In addition, 10 centimeters of stone wool insulation, tinted glass fences on the terrace fences, the outer wall made of Benkovac stone, etc., should also be highlighted. But one of the biggest advantages of this apartment is its proximity to the city's beaches and the city center (300m!). Povljana is a picturesque coastal town located on the island of Pag in Croatia, known for its beautiful beaches and crystal clear Adriatic sea. The town is characterized by a charming combination of traditional stone houses and modern amenities, creating a perfect blend of old world charm and contemporary comfort. Visitors to Povljana can enjoy the peaceful atmosphere, indulge in local gastronomy with delicious Pag cheese and lamb, and explore the rich cultural heritage of this idyllic Adriatic destination.
