## Description

Description:

Istria, Umag (Apartment 1-25) In the northwest of the Istrian peninsula, in the city of Umag. we offer modern apartments under construction. Umag has been an attractive destination for many years, known since ancient times as a summer residence, and today it is also known for its rich content throughout the year. The city has been declared the European City of Sports and hosts various events, concerts, shows and exhibitions. The new building is located in the immediate vicinity of shops, kindergartens, schools and within walking distance of the beaches. It consists of four entrances with a total of 122 apartments of different sizes. The apartments are connected vertically by elevators and stairs. The ground-floor apartments come with an attached garden for extra comfort. This project is ideal for young families and those looking for peace and rest. The expected completion of construction is June 30, 2025. This spacious apartment, with a total square footage of 54.95 m<sup>2</sup>, has a north orientation and is located on the 1st floor. It consists of an entrance area, a bathroom, a bedroom, and a spacious living room with a kitchen and dining area. The living room has access to a 10m<sup>2</sup> balcony. The apartment also has a storage room of 3.82 m<sup>2</sup> and 1 outdoor covered parking space. The total square footage you are buying is 71.27m<sup>2</sup>. Technical characteristics: -reinforced concrete monolithic construction -partition walls made of double-thick plasterboard lining (W112) with additional heat and sound insulation -facade cladding-ETICS system, thermal insulation 10 cm thick - joinery, high-quality multi-chamber PVC profile system, lifting and sliding balcony walls - Electric blinds are installed in the rooms, while there are none in the living room - heating and cooling system through a multisplit air conditioning system (outdoor units are not visually exposed, roof, garage, ground floor), air conditioning unit in every room -each apartment has its own water and electricity meter -telephone, antenna TV, internet connection, video intercom - first-class large-format ceramics (hallway and bathrooms) -first-class parquet in all rooms The subject is in the VAT system. THE BUYER DOES NOT PAY 3% REAL ESTATE SALES TAX. Payment of 15% per pre-contract. ID CODE: IS1510557
