Description

Description: An attractive building plot is for sale. The land has a valid building permit for the construction of a residential building, with paid utility and water contributions. Also, on the land there is a legalized auxiliary building with a multi-roofed roof construction of 29.99 m² (F+ROOF), built in 2005. All the necessary connections (water, gas, electricity, telephone) are available next to the field, with the possibility of connection to the sewage system on the field. The land is completely surrounded by walls and a fence and is one of the last available plots in Donja Drenova. In the immediate vicinity there is a shop, post office, bank, public transport. school, kindergarten and playground. This combination of residential building and land offers an exceptional opportunity to adapt the space to your own needs and wishes.
