The house is spread over the ground floor and the first floor, which is 142 square meters, providing enough space for a comfortable stay. It is located in a quiet village near Poreč, Vrsar and Rovinj. The location is developed, where holiday homes predominate. The house has a swimming pool that will provide you with refreshing moments and fun during hot days, as well as a garden that ensures plenty of intimacy, since the house is surrounded by agricultural land. On the outside, right next to the pool, there is a beautiful stone summer kitchen ideal for socializing with good food and drinks, and a historical well, which can serve as an attractive decorative element and a reminder of the rich history of the place.

Interior The ground floor of the house offers a spacious open concept that includes a kitchen with a small pantry, a living room and a dining room. The first floor of the house has three spacious bedrooms, each with its own bathroom. This provides privacy and comfort for all guests or family members. The rooms are spacious enough for a comfortable stay, and the windows offer a beautiful view of the surroundings.
