This property consists of one separate residential unit and four apartments that currently operate successfully in tourist rentals. However, with ease, all units can be connected into a unique residential entity - a villa that provides an incredible space for enjoyment. Each floor offers a captivating and unobstructed view of the sea and the island of Hvar, which will remain unchanged as no construction can take place beneath the house, ensuring privacy and a spectacular view. Just 200 meters from the house, you'll find the local beach, one of the most beautiful on the Adriatic. The house is equipped with all necessary infrastructure, including electricity, water, sewage, and telecommunication connections. For additional convenience, parking spaces are secured at a public parking lot just 30 meters away. Murvica is a beautiful eco-ethno village with gravel beaches and the Dragon's Cave, known for the vineyards of Plavac Mali and sports activities such as wind and kite surfing. Despite being only 5 km away from the renowned town of Bol, Murvica exudes tranquility thanks to its unique location. The house represents a rare gem in the real estate market due to its excellent position, southern orientation, and incredible sea view. This is an extraordinary opportunity that should not go unnoticed! For any additional information and viewings, I am at your disposal. IVANA FABIANA FILIPOVIĆ GRČIĆ Real Estate Assistant
