Description

Description:	<p>For sale is a building plot in an exceptional location on the southern side of the island of Hvar, in the village of Zavala. The plot covers a total area of 2,013 m² and offers a beautiful open view of the sea. The land has access from the northern side, with potential access from the southern side as well. Access to the terrain is provided by an asphalt road, and electricity and water are available. The land offers various possibilities for construction, with a building coefficient for detached buildings of 0.3. It is located in an exceptional bay, surrounded by nature, providing a magnificent view of the sea. This opportunity is unique! For any additional information and viewings, I am at your disposal.
