Description

Description: Becoming the owner of this apartment in a building that stands out for its architecture is a privilege. What do you think? This human-sized building is located in a quiet location, surrounded by newly built villas, yet within reach of all amenities, avoiding the usual chaos of the summer months. With a strategic

position, only a kilometer away from the center of Umag, while one of the beautiful beaches can be chosen only 1500 m away. Parking is provided, including electric vehicle charging points, reflecting a commitment to sustainability. High-standard equipment...Heat pump, a whole series of things that will provide you with a pleasant stay tomorrow and reduce consumption Construction has already started, and occupancy is planned for September 2024. This opportunity allows you to create your own apartment according to your wishes, giving you the possibility to personalize the space. Sauna, why not? It's an architect's suggestion... It might be your choice too Positioned just 7 km from the highway, this building provides easy access to major roads. Trieste Airport is 70 km away, while Pula Airport is 72 km away, providing you with connections to international air traffic. NOW is the right time to invest in a comfortable life in one of the smart locations tailored to the modern man. APARTMENT no. 6 1st floor - Apartment 6 Area: apartment 89.13 m2 terrace 27.28 m2 + loggia 8.10 m2 + parking An open concept living room, with a kitchen and dining room that has access to a spectacular terrace, a terrace that will give you the feeling that you are breathing, that you are breathing and living... Master bedroom with dressing room and bathroom and access to a sweet loggia of 8.10 m2. For whom, if not for ourselves.. There are two more bedrooms, a bathroom and a terrace... oh yes, that terrace... Didn't we deserve to have the best, did we? Take a look at the project, you will surely like it, and we can personalize it according to your choice. Hurry up, construction is progressing fast... There are no sacrifices here... everything is tailored here, for the family but also for us... because... we are only passing through, let it be wonderful for us, if not spectacular :-) A slightly more unusual presentation of the project, but I believe that strides deserve courage. For the progress of all.. So let's push the boundaries... TODAY.
