Description

Description: A modern complex bringing a breath of fresh air and original architectural

solutions to the world of real estate in Makarska. For sale is a two-bedroom

apartment in Makarska, located in a new modern complex under construction, with a beautiful view of the sea and islands. The complex consists of three luxury

buildings with a total of 120 residential units (40 apartments per building) and 144 garage parking spaces. The complex includes an outdoor pool, jacuzzi pools, a children's playroom, and a cocktail bar, which will surely provide future residents with plenty of entertainment and relaxation opportunities. With this project, we aim to create an environment that will make Makarska an even more desirable place to live, where our residents will have all the comfort at their fingertips and be able to dedicate more free time to themselves and healthy habits. Our vision is to create the highest standard of urban living, so in addition to comfort and privacy, our priority is to provide our residents with a variety of services within the complex available only to them. This sets us apart from ordinary residential complexes and raises the bar for modern living even higher. This concept of living brings diversity, comfort, and security into everyday life, which will not be limited to the square footage of the residential unit. The architectural design, space design, and quality of construction are done according to the highest contemporary world standards, with a special emphasis on environmental protection and creating the highest quality living environment. Possibility of purchasing a garage parking space: The price of the garage on -1 is 25,000 euros, The price of the garage on -2 is 20,000 euros.
