Description

Description:

SOVINJAK, ISTRIA - an opportunity to escape to quieter regions. A beautiful family house is for sale on top of a hill with a beautiful view that reaches all the way to the Slovenian hills, located in a quiet location ideal for escaping from everyday life and recharging the batteries. The property is purchased from a reliable investor who already has several successful projects behind him. Thanks to its position, the property is bathed in the sun throughout the day. The size of the garden is ideal for playing with children and spending time with the family. The house is spread over the ground floor and the first floor, and the space is organized very functionally. The ground floor is designed as an open space where there is a kitchen with a dining room and a living room with access to the terrace. The entrance hall separates the bedroom with a bathroom from the rest of the living space, and there is also a guest toilet and a storage room. Arriving on the 1st floor, there are two bedrooms with bathrooms and a common covered terrace, and a laundry room of 6.15 m². There is a 32 m² swimming pool in the garden. Buzet is a center known for its truffles, and every year it attracts an increasing number of tourists, curious palates and gastro enthusiasts, making it an increasingly popular destination for investment and peaceful family life.
